

Project Update

BELLEVUE 600 | JUNE 2023

ACTIVITY

In June, the following work will be in-progress at the Bellevue 600 project:

- Pedestrians are being rerouted due to sidewalk closures adjacent to the site on 108th Avenue NE, 110th Avenue NE and NE 6th Street. Please refer to the map for more details.
- Underground street improvements on 108th Avenue NE and 110th Avenue NE will continue this month.
- In addition, weekend lane closures on 108th Avenue NE from NE 6th Street to mid-block will continue this month.
- To facilitate construction activities on the project, the team will be shifting traffic on 110th Avenue NE. Southbound traffic control measures will be in place Monday through Friday.
- Periodic construction activities will be taking place on the sidewalk adjacent to The Bravern along 110th Avenue NE. Pedestrian access will be accommodated around work activities.
- The City of Bellevue started construction in mid-May at the intersections of 110th Avenue NE and NE 6th Street and 108th Avenue NE and NE 6th Street. While this activity may impact traffic flow around the job site, it is not related to Sellen's ongoing work on the Bellevue 600 project. Updates related to the work in these two intersections will be communicated by the City of Bellevue.
- Starting June 26, we will restart mass excavation work on Phase 2. Traffic along 108th Avenue NE will increase with this activity.

WORK HOURS

Monday - Friday: 7 a.m. to 6 p.m.

Saturday: 9 a.m. to 6 p.m.
