

Project Update

BELLEVUE 600 | SEPTEMBER 2023

ACTIVITY

In September, the following work will be in-progress at the Bellevue 600 project:

- **Monday, September 4:** No construction activity will be taking place in observance of Labor Day.
- **Saturday, September 16:** The road will be closed on 108th Avenue NE from NE 6th Street to mid-block of 108th Avenue NE between the hours of 7:00 a.m. and 10:00 p.m. for the installation of additional equipment needed to complete the mass excavation work.
- **Saturday, October 7 - Sunday, October 8:** On these days, there will be crane jumping activities happening for two of our tower cranes between the hours of 7:00 a.m. and 6:00 p.m. Trucks will be staged on 110th Avenue and north of the project inside the fence.
- Pedestrians are being rerouted due to sidewalk closures adjacent to the site on 108th Avenue NE, 110th Avenue NE and NE 6th Street. Please refer to the map for more details.
- Underground street improvements on 108th Avenue NE and 110th Avenue NE will continue this month.
- In addition, weekend lane closures on 108th Avenue NE from NE 6th Street to mid-block will continue this month.
- To facilitate construction activities on the project, the team will be shifting traffic on 110th Avenue NE. Southbound traffic control measures will be in place Monday through Friday.
- Mass excavation work on Phase 2 will continue in September. Traffic along 108th Ave. NE will increase as this activity progresses.
- The City of Bellevue started construction in mid-May at the intersections of 110th Avenue NE and NE 6th Street and 108th Avenue NE and NE 6th Street. While this activity may impact traffic flow around the job site, it is not related to Sellen's ongoing work on the Bellevue 600 project. Updates related to the work in these two intersections will be communicated by the City of Bellevue.

WORK HOURS

Monday - Friday: 7 a.m. to 6 p.m.

Saturday: 9 a.m. to 6 p.m.
