

Project Update

BELLEVUE 600 | APRIL 2022

ACTIVITY

In April, the following work will be in-progress at the Bellevue 600 project:

- Construction activities are currently underway. Work will take place Monday through Friday from 7 a.m. to 6 p.m. and Saturdays from 9 a.m. to 6 p.m.
- Pedestrians are being rerouted due to sidewalk closures adjacent to the site on 108th Avenue NE, 110th Avenue NE and NE 6th Street. Please refer to the map for more details.
- Utility work is taking place on 110th Avenue NE through June 2022. Traffic control measures will be in place daily to help reroute northbound and southbound traffic.
- Periodic construction activities will be taking place on the sidewalk adjacent to The Bravern along 110th Avenue NE. Pedestrians access will be accommodated around work activities.
- Bellevue Corporate Plaza demolition activities have commenced. Starting next week, demolition of the concrete structure will occur during normal work hours. This work will contribute to an increased level of construction noise during normal work hours.
- Shoring and excavation work will resume along 110th Avenue NE. These activities will bring an increased amount of construction traffic and equipment to the site this month.

WORK HOURS
