

Project Update

BELLEVUE 600 | AUGUST 2021

ACTIVITY

In August, the following work will be in-progress at the Bellevue 600 project:

- Utility installation continues on 110th Avenue NE. This activity will require the closure of southbound traffic lanes on 110th Avenue NE during work hours. During this work, the Bravern Plaza valet entrance will only be accessible via the northbound traffic lane on 110th Avenue NE. This traffic detour will remain in place through the end of September. See maps for details.
- Crews are installing new water mains between the Bravern Apartments entrance and the Bravern Plaza entrance. Additional traffic control and steel plates will be used to ensure continuous access to the apartments and valet entrance. This work will continue through the end of the month.
- Mass excavation activities are currently underway and will continue through February 2022.
- On 108th Avenue NE, crews will conduct potholing activities in the right-of-way, which will affect sidewalk and traffic lanes periodically.
- On NE 6th Street, crews will be removing artwork from the sidewalk for the City of Bellevue.

WORK HOURS

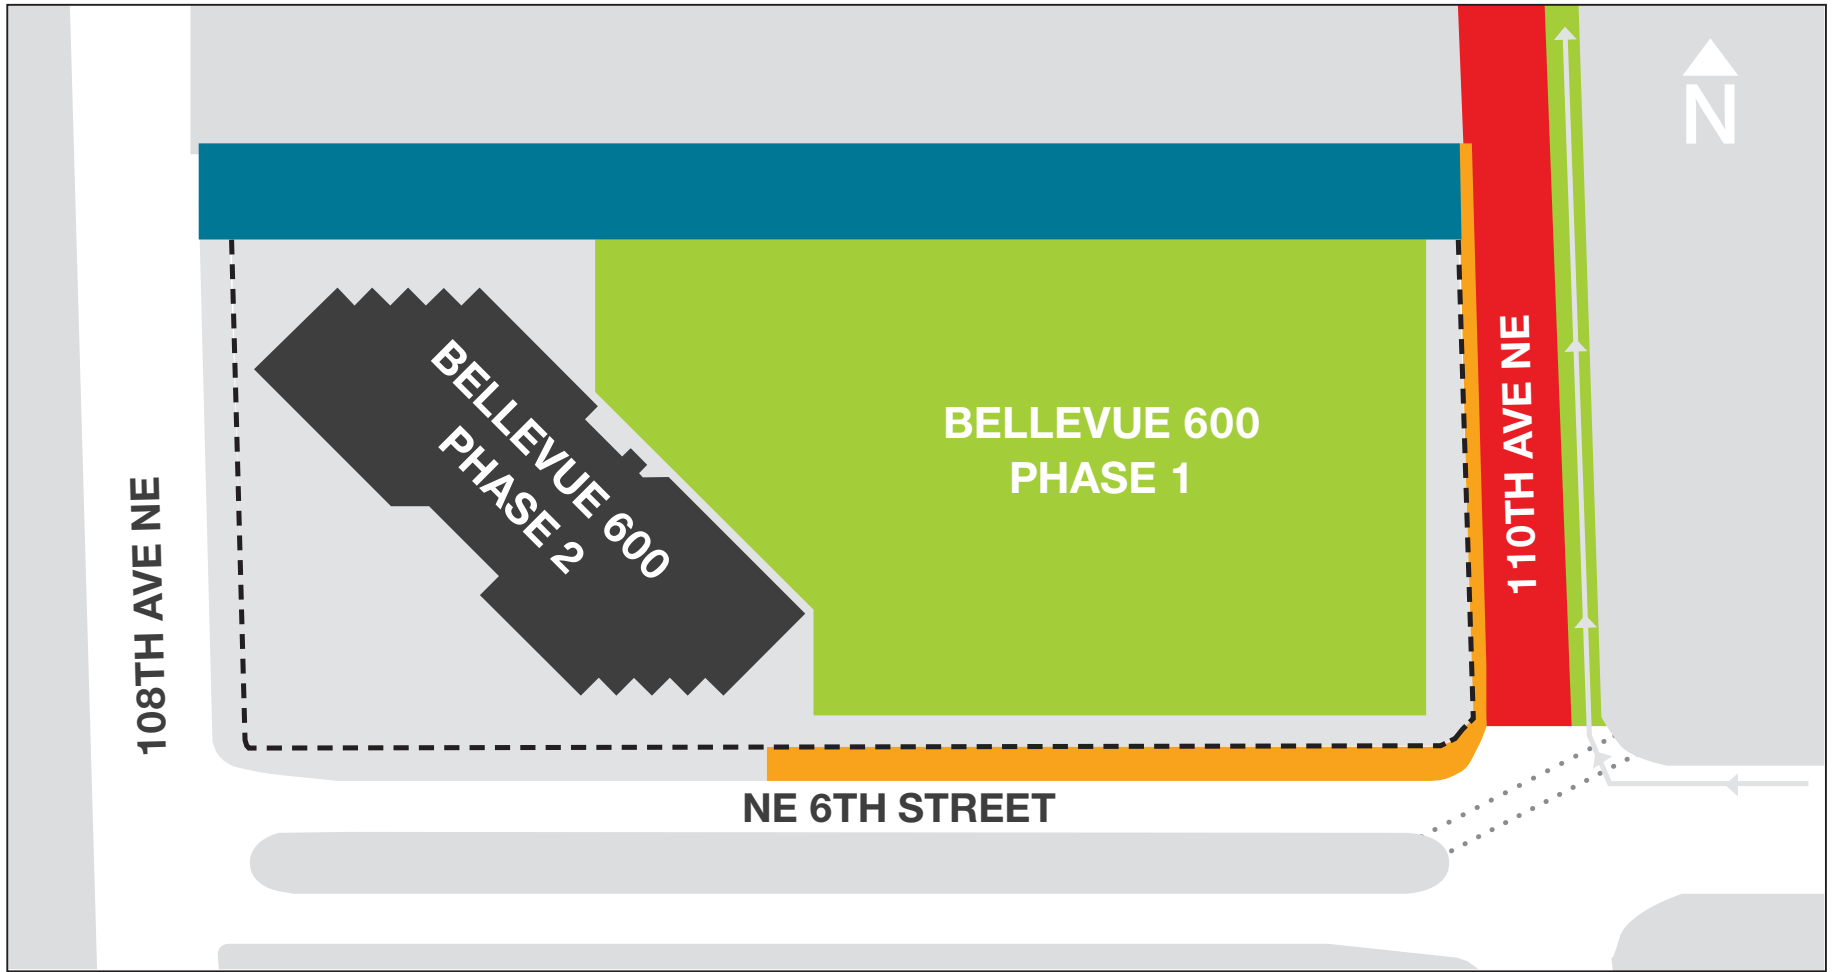

Monday - Friday: 7 a.m. to 6 p.m.

Saturday: 9 a.m. to 6 p.m.
