

Project Update

BELLEVUE 600 | FEBRUARY 2022

ACTIVITY

In February, the following work will be in-progress at the Bellevue 600 project:

- Construction activities are currently underway. Work will take place Monday through Friday from 7 a.m. to 6 p.m. and Saturdays from 9 a.m. to 6 p.m.
- Northbound and southbound traffic lanes are open to vehicles on 108th Avenue NE and 110th Avenue NE. The project will have no additional impacts to traffic lanes this month.
- The construction fence line will be adjusted to include the curb on 108th Avenue NE. Due to this change, the sidewalks adjacent to the site on 108th Avenue NE and 106th Avenue NE will be closed. Pedestrians will be rerouted to use the crosswalk on NE 8th Street and 108th Avenue NE. See map for details.
- Interior demolition of Bellevue Corporate Plaza (BCP) has started. The BCP parking lot usage is restricted to the demolition contractor. Construction equipment has been staged in the parking lot for demolition activities. A motorized platform lift has been installed on the west elevation of the building to support debris removal and equipment loading.

WORK HOURS
