## BELLEVUE 600 | MARCH 2021

### ACTIVITY

In March, the following work will be in-progress at the Bellevue 600 project:

- Demolition of the Bellevue Corporate Plaza Parking Garage will begin at the end of the month. Demolition work may occur between the hours of 7 a.m. and 6 p.m. Monday through Friday and 9 a.m. to 6 p.m. on Saturdays. Crews will use water to mitigate dust impacts and trucks will come in and out of the site to remove materials. Demolition activities are expected to continue for approximately one month.
- Portions of the sidewalk on NE 6th Street and 110th Avenue NE are now closed for the duration of the project. Utility work along NE 6th Street will continue through March. See the map for details.
- The southbound traffic lane on 110th Avenue NE will be closed daily during working hours.
- Crews will be installing new utilities in the Cloudvue parking lot this month, requiring the closure of the alley off of 108th Avenue NE. See the map for details.
- On Wednesday, Mar. 24, crews will install temporary signalization at the intersection of 110th Avenue NE and NE 6th Street. Traffic control measures will be in place to help reroute vehicles during this activity.
