

Project Update

BELLEVUE 600 | NOVEMBER 2021

ACTIVITY

In November, the following work will be in-progress at the Bellevue 600 project:

- Mass excavation activities are currently underway and will continue through February 2022. Trucks are running Monday through Saturday.
- On Saturday, November 13, crews will be staging a mobile crane and a 90-foot conveyor section in the Cloudevue parking lot.
- Beginning November 23 through January 2, 2022, all traffic lanes will reopen and the right-of-way not be obscured in accordance with the 2021 City of Bellevue Holiday Moratorium. Project work will continue within the site's fence line.
- Northbound and southbound traffic lanes are now open to vehicles on 110th Avenue NE.
- Pending street permits from the City of Bellevue, crews will be installing utilities in the right-of-way on 110th Ave NE.
- Utility relocation work on 108th Avenue NE started in October and will be completed in early November. This activity includes sidewalk closures on the east side of the street and temporary removal of the turn lane and bike lane. Access to Bellevue Corporate Plaza parking lot will be restricted to one lane at times and the northbound lane will be closed through early November. The southbound turn lane will be temporarily converted into a northbound traffic lane.
