WOODLAND PARK ZOO FORESTS FOR ALL

CONSTRUCTION UPDATE | APRIL 2023

We're excited to announce that the Woodland Park Zoo Forests For All project will start construction soon. Sellen is partnering with LMN Architects to deliver the new exhibit, which will add to the zoo's global conservation programming and empower visitors to learn more about the at-risk animal populations within our region and beyond.

Updates will be posted on a biweekly basis and as needed to communicate upcoming activities and any associated impacts to surrounding streets and sidewalks.

UPCOMING CONSTRUCTION ACTIVITY

- **April 3 – 21:** Sellen crews will begin mobilizing efforts, resulting in increased construction equipment traffic and added personnel on site.
- **April 17 – May 3:** Interior building demolition begins. An increase in trucking traffic at the intersection of North 50th Street and Fremont Avenue North is expected during this activity.
- **May 4:** Project groundbreaking ceremony to occur on site from 2 - 5 p.m. **Click here** to RSVP by April 20!

WORK HOURS

Monday - Friday: 7 a.m. to 6 p.m.
