

# SEATTLE STORM CENTER FOR BASKETBALL PERFORMANCE

CONSTRUCTION UPDATE | March 2024

## UPCOMING CONSTRUCTION ACTIVITY

- **March 5:** Street closure at West Bertona Street for mobile crane use to the second level terrace roof.
- **March 7:** Street closure at West Bertona Street for mobile crane use to the second level terrace roof.
- Interior buildout of spaces will continue to occur throughout the month. Please note material deliveries will continue to occur throughout the duration of the project.
- Exterior street improvement and landscaping to continue around the perimeter of the job site through mid-March. Anticipate equipment and material deliveries throughout March.

## The following sidewalk changes will remain in place in March:

- The north sidewalk along West Bertona Street will remain closed along the length of the job site.
- The east sidewalk along Thorndyke Ave West will remain closed along the length of the job site.
- The west sidewalk along 16th Ave West will remain closed along the length of the job site.

## WORK HOURS
