

Yale & Harrison

AUGUST 2020

CONSTRUCTION ACTIVITY

In August, the team at Yale and Harrison will continue to make progress on the following scopes:

- Continue work on Level 4 of the structure. Concrete deliveries will arrive three to four days each week.
- There may be additional utility work along Yale Avenue North in August.
- A covered walkway was erected on Eastlake Avenue for the safety of pedestrians. Concrete jersey barriers were installed for enhanced pedestrian safety.
- Flaggers will help direct traffic as needed while lanes are temporarily closed for deliveries and concrete pours.

Sidewalk and street closures:

- **Yale Avenue North:** Sidewalk closed.
- **Harrison Street:** Sidewalk and parking lane closed.
- **Eastlake Avenue East:** A pedestrian walkway is in place in the parking lane adjacent to the project.

SAFETY

- Please follow the sidewalk detours. Please use the west sidewalk along Yale Avenue North and avoid walking in the street along the east side, adjacent to the site.
- Do not enter the secured fenced site at any time.
- Please watch for truck and trailer traffic entering and leaving the site. Trucks and heavy equipment may make wide turns and have trouble seeing pedestrians and vehicles.

ABOUT THE PROJECT

The Yale and Harrison project, is a nine-story office building. Early work began in June 2019 and the project is scheduled to continue through Summer 2021.

Sellen is committed to being a responsible neighbor from start to finish. Please contact us immediately if you have any questions or concerns.
