

Yale & Harrison

NOVEMBER 2020

CONSTRUCTION ACTIVITY

In November, the team at Yale and Harrison will continue to make progress on the following scopes:

- Continue working on Level 10 of the structure. Crews will begin work on structural steel for the elevator and penthouse this month.
- Exterior framing and interior buildout continues. Curtain wall deliveries and storefront installation will begin.
- Intermittent utility work will continue on Yale Avenue.
- Daily deliveries will continue to be received on both Yale Avenue and Harrison Street.

Sidewalk and street closures:

- **Yale Avenue North:** Sidewalk closed.
- **Harrison Street:** Sidewalk and parking lane closed.
- **Eastlake Avenue East:** A pedestrian walkway is in place in the parking lane adjacent to the project.

SAFETY

- Please follow the sidewalk detours. Please use the west sidewalk along Yale Avenue North and avoid walking in the street along the east side, adjacent to the site.
- Do not enter the secured fenced site at any time.
- Please watch for truck and trailer traffic entering and leaving the site. Trucks and heavy equipment may make wide turns and have trouble seeing pedestrians and vehicles.

ABOUT THE PROJECT

The Cascadian project, also known as Yale and Harrison, is a nine-story office building. Early work began in June 2019 and the project is scheduled to continue through Summer 2021.

Sellen is committed to being a responsible neighbor from start to finish. Please contact us immediately if you have any questions or concerns.
